KRUEGER

Excellence in Air Distribution

Do you need CEU Credits? Do you want to expand your knowledge of air distribution concepts, products, or applications? Krueger is pleased to offer the engineering community (FREE OF CHARGE) periodic webinars for engineers, contractors, end users, or anyone else wishing to learn more about these topics. For information on these webinars, visit <http://www.krueger-hvac.com/kit/webinars.asp> . Read on for information on the next topic.

Engineer Webinars

Coming Up: DesignFlo (Architectural Linear Slot Diffuser)

Date: 2/9/2011

Time: 11am & 4pm EST

Length: 45 minutes with 15 minutes of Q&A

Host: Brian Solis, Specialty Product Application Engineer

About This Webinar:

In this webinar we will discuss the intricacies of DesignFlo including the curving process, radius limitations and orientations. We will also discuss the documentation we have on the website, where to find it and how to use it. Other topics include installation of the various frame styles and mitered corners. Following the presentation we will have a 15 min Q&A open discussion.

GoToWebinar.com is our webinar provider. After you submit your registration, you will receive an email from "GoToWebinar.Notifications@citrixonline.com" with meeting and link information. Make sure you are able to receive emails from this address and that they are not automatically sent to your spam filter.

Registration:

Morning Meeting: 11am EST (<https://www3.gotomeeting.com/register/902504030>)

Afternoon Meeting: 4pm EST (<https://www3.gotomeeting.com/register/513200318>)

Continuing Education Credits:

A 1-hour CEU credit can be awarded by attending Krueger webinars; however, it is the sole responsibility of the individual to determine whether the CEU will be honored by their applicable organization.

After successful completion of attendance, a request for the CEU must be sent to kruegerinfo@krueger-hvac.com. This request must include the webinar attended, date, and time. Krueger will validate the request prior to mailing the CEU certificate.

Questions or Difficulties?
